Summary

I am a very ambitious and hard working student who has experience in writing and research, computer programming, and maintaining high levels of academics. I am looking to further enhance my writing skills by majoring in journalism at West Virginia University and by getting involved in organizations that will help me become a better writer.

Skills

- Proficient in Java and HTML programming; graphic and text-based
- Writer in the Associated Press Style
- Excellent communicator and leader
- Responsible and diligent worker

Education

West Virginia University

Present

- Freshman majoring in journalism in the Reed College of Media
- President of the WVU chapter of the Society of Professional Journalists
- Classified as a sophomore; currently has 48 credit hours
- Member of the Honors College and College of Media Scholars Program

George Washington High School

2013-2017

- Graduated with highest honors in the top 10% of class (27 out of 259) with a GPA of 4.63

Experience

- Culture editor for the Daily Athenaeum
- Researcher and writer for the West Virginia Archives Library
- Member of National Beta Club (graduated with 250 community service hours)
- Babysitter for multiple families since 2012
- 2017 George Washington High School Girls Tennis team captain, State Champion 2016
- Assistant dance instructor for two years (2012-2014)
